ALL-HORTICULTURE FIELD DAY

You are invited to the first annual All-Horticulture field day. This opportunity will showcase research projects being conducted at the station in all areas of horticulture. Concurrent sessions will allow you to learn more about specific areas of horticulture and to network with others in the "growing" horticulture industry.

Special areas of interest will highlight vegetable production, apple, grape, and small fruit production and wine tasting, lawn and turf management, urban tree development, landscape design and installation, organic horticulture, and farm pond and surface water management.

Where: Horticulture Research Station

When: Thursday, August 6 from 9:00AM - 12:30PM
(Registration starts at 8:00AM)

Cost: \$20.00 per person

LINN COUNTY NATURE PHOTOGRAPHY CLASS

The class will be taught by Jim Messina, a professional photographer with many years of experience in photography and teaching experience. Topics include exposure, metering techniques, tonality natural lighting, photographic equipment, digital photography and macro photography. Teaching method includes slide presentations using dual projectors emphasizing comparisons with several examples. The

examples provide a framework of understanding basic principles and practical solutions in difficult field situations. Extensive handouts are provided for the workshop topics. You can bring your camera.

Where: Linn County Extension, 3279 7th Avenue, Marion, IA

When: Saturday, July 18 from 9:00AM to 5:00PM

Cost: \$35.00 - Payment must be made when registering. Registration will close on July 10.

For more information, contact:

Linn County Extension office at 319-377-9839
